One of the best section leaders I have had here during my time at Harvard. Complaints or criticisms escape me.

Jerry is great at explaining things. Whenever students are confused, he works hard at explaining the things that are confusing. He goes through the section notes very carefully. I think that I have learned a lot from Jerry.

I can not thank Jerry enough for all the work he put into AM121 this past spring to make it so enjoyable for me. His sections were always incredibly useful and he had a way of making anything we learned in lecture that may have seemed complicated and confusing into a clear, straightforward, and simple concept. Both in and out of section, he was very helpful and always open to answering any questions we had--no matter how easy or difficult they were.
